

WESTVIEW COMMUNITY ORGANIZATION

MONTHLY MEETING

JUNE 1, 2009

The meeting was called to order; the Minutes were not available so Scott said they will be read at the next meeting.

Old Business

The Comprehensive Development Program is tabled until the fall. The group was asked to give some fundraising ideas. Evelyn Battle suggested a Community Health Walk and agreed to get it together. Barbia Arnold volunteered to assist her in this effort and Scott asked them to bring some information back to the WCO.

Gwen Cain introduced students from Morehouse who are working with our organization. Sonya Buchanan, a Spelman Graduate, will be helping Gwen and Kendrick with community revitalization. Devon Lambert will be working with John and Scott and Ray Brown has a graphic design background and can help us with anything that needs to be done on paper.

New Business

Scott said that Beecher Donnelly is getting a forum together for the mayoral candidates. He'll let us know when he gets some more information. One item Scott mentioned that should be bought up to the candidates is the lack of police presence in Zone 4. He also announced the June 20th community clean-up and asked the Beautification Committee if they know of a dirty street they can clean, to let them know.

Scott explained what Pete Hayley (UCDC) is doing with the Neighborhood Stabilization Program (NSP).

Committee Reports: Beautification Committee – Deloris gave the date of the WCO Yard Sale, September 19, 2009. She and her sister Gerri have one scheduled for June 20, 2009 and are offering free spaces for vendors. They are starting the Yard of the Month contest again and plan to judge the yards on June 20th. Criteria and Sign-up sheets will be available after the meeting.

Zoning Committee – Scott was asked a question about our tax bills. He said we should look carefully at them because some taxes are being inflated.

A total of \$26.00 was collected in dues and the meeting was adjourned.

Respectfully Submitted,

Deloris Pickens-Crawford, Secretary
